

P.I.N.K.

Purity, Integrity, New Ideas & Knowledge

PINK is a program specifically designed for middle school girls. This group will meet once a week during the designated times assigned by your school administration. PINK is a faith-based, voluntary program that is specifically geared towards equipping middle school aged girls with better self-esteem and decision-making skills. Each topic is addressed at an age-appropriate level.

These topics include:

- Positive Body Image
- The Value of Friendship
- Effective Communication
- Wise Choices for Healthy Relationships
- Human Trafficking & Pornography
- Dating Violence
- Goal Setting

Our purpose is to provide positive support as teen girls make choices that will shape the rest of their lives.

PINK is an abstinence-based program funded through the PLC Health Clinic of Van Wert. If you would like more information about this program or other services we provide, please contact the PLC at (419) 238-9177 or check our website at plchealthclinic.org

Please sign, have your parents sign, and return the bottom section.
