

LifeLine Newsletter December 2025

Dear Friends for Life,

As we step into a new year, our hearts are overflowing with gratitude. Time and again, the generosity of this community has left us in awe. Through seasons of challenge and change, you have continued to stand faithfully beside us—praying, giving, and serving in ways that reflect the very heart of Christ.

Because of your steadfast partnership, The PLC Health Clinic continues to be a place where life, hope, and healing flourish. Together, we've provided free medical care, education, spiritual guidance, and essential support to men, women and babies in Van Wert and the surrounding areas. Your compassion ensures that every person who walks through our doors feels loved, welcomed, and valued—no matter their story.

This past year has been one of incredible growth. In addition to our ongoing clinic services, The Langdyn House- our new maternity home, just celebrated our first year of being a safe and nurturing home for mothers in need. We currently have one mother residing in the house with her adorable 4 month old boy!

We have served 4 mothers and 3 babies to date and have had an overwhelming amount of applications come through; solidifying the true need for maternity housing across the nation. Watching these mothers and their little ones thrive reminds us daily that your generosity is changing lives—one family at a time.

As our ministry expands, so do our opportunities—and our needs. Housing mothers and babies, sustaining clinic operations, and reaching more families with the gospel of Jesus Christ all require continued financial partnership. If you are receiving this letter, it's because you believe in this mission. I invite you to prayerfully consider making a **2025 gift** to support our ongoing work—either by returning the giving form enclosed or donating online at plchealthclinic.org. Your gift is vital to sustaining life-affirming care and sharing the love of Christ in our community.

We are also deeply grateful to **Sarah Rank Photography** for capturing the beautiful baby photos in this year's newsletter, to **Lisa Rodman**, our Patient Services Coordinator, for coordinating every detail, and to **Tessa Cochran**, our Development Director, for her helping hands on picture day. Each sweet face you see is a testimony to your faithfulness and God's provision through you.

As 2025 comes to an end, we look ahead to the new year with great hope—trusting that God will continue to use The PLC Health Clinic and The Langdyn House to impact lives for His Glory. On behalf of our Board of Directors, Staff, and Volunteers, thank you for walking alongside us in this ongoing fight for life. Your investment brings hope, healing, and the promise of a brighter future to countless mothers, fathers, and babies.

With heartfelt gratitude and New Year blessings from the entire PLC Health Clinic family,
Jody Wannemacher, Executive Director, The PLC Health Clinic

YOUR GENEROSITY IS A SWEET BLESSING

We are unbelievably blessed by each individual, every church congregation, and the many businesses and organizations who faithfully give financially either **yearly, monthly or quarterly**. That gift may be through our **Light for Life** program, a banquet pledge, a sustaining pledge for the Langdyn House, a Walk for Life sponsorship, or a general monthly gift. These are so important to us - whether it's a gift of \$10 or \$500 or more each month, these commitments bridge the gap between fundraisers and help to maintain ongoing expenses including our education software subscription, replenish clinic supplies, stock the Langdyn House with general needs, and pay utilities that keep us functioning and open to those who need us.

We also have special donors who provide gas cards as incentives for those who regularly attend class - a much appreciated perk for those who receive them! And we have many people who give materially - diapers, wipes, baby clothes and other items that keep us continually stocked so our mamas can use their earned "baby bucks" to purchase everything they need. Material items come to us through church diaper drives, individuals stopping in to drop off, or through a purchase on our Amazon Wish List... but no matter how they get here, **they are appreciated!**

THANK YOU TO EVERYONE - the list of names of all who faithfully commit to us would fill our newsletter to the brim, so we aren't able to list them all. But God knows! He sees, finds the generous hearts, meets the need, and multiplies the gift.

If you would like to give a recurring gift to help sustain our ministry, fill out the giving coupon on the back of the newsletter. We are grateful to you for these gifts which allows us to shine Jesus' light to everyone we serve!
