

PINK Scholarship Winners 2026

Every spring, we invite local senior girls to apply for the P.I.N.K. Scholarship, created to honor former Executive Director Trina Langdon, who founded the program for middle school girls.

P.I.N.K. stands for: Purity, Integrity, New Ideas and Knowledge and aims to promote these core values, fostering healthy friendships, support, and self-esteem.

To be eligible, applicants must have participated in the P.I.N.K. program for two years and complete an application that includes essay questions. The PLC Health Clinic awards scholarships to graduating senior girls from the three local schools that offer our P.I.N.K. program.

On behalf of the PLCHC staff, board and volunteers, we wish Elyssa and Ellieannah all the best as they carry into the future the best aspects of valuing themselves and creating positive relationships. May God bless your future!

Celebrating Moms

Our Mother's Day Card Project raised \$2,290 in honor of mothers, grandmothers, aunts, sisters, and daughters! For each request, we sent out unique cards, handcrafted by either a PLCHC patient or staff member. Moms hold a cherished spot in our hearts, and we are grateful to create something meaningful to celebrate their life, nurturing spirit, wisdom, and care. Below are some remarkable individuals who were honored this past Mother's Day.

September Walk for Life 2026

Mark your calendar now for our 2026 Walk for Life on Sunday, September 13! This year's Walk theme is **"little is MUCH"** and sums up Matthew 25:40 CEV "Whenever you did it for any of my people, *no matter how unimportant they seemed*, you did it for me." (emphasis added)

Though it might not seem like much, when you walk with us and ask sponsors to support you financially, you bring awareness to the work we do and you promote our efforts to provide compassionate care and support to women and families in your community. Then, the **little bit** of Christ's love that we

can sow into the families we serve for the time they're with us can amount to a **multitude of good** changes over time.

PLC Health Clinic is committed to serving the unique and underserved needs of women, men, and families with comprehensive, life-affirming care, and education in a compassionate and non-judgmental environment. We want to make sure the women we serve know that we strive to walk beside them, love them, serve them, empower them, and equip them to be the best mothers they can be. We want to love and protect the lives of their babies - and we also want to love and serve the mother in the best ways possible. Walk pledge sheets and t-shirts will be available in August! Follow us on social media for more information.
