

The 2026 Walk for Life is Sunday, September 13th at Franklin Park, Van Wert and our theme this year is **"little is MUCH"**, which reflects our belief from Matthew 25:40 (CEV) "Whenever you [cared for] any of my people, no matter how unimportant they seemed, you did it for me." The little we do becomes MUCH in His hands! When you join us in the Walk, it multiplies! Our Lord can do amazing things with the little we bring through your generosity and the skills he has equipped in each staff person at the PLC Health Clinic. **Pledge forms are now available** through local churches, the PLC Health Clinic, and online. We hope you'll grab one and walk to help us raise the \$60,000 needed to continue the free, vital, compassionate services we offer to our community. **Raise \$300** and earn this year's themed t-shirt, then wear it to show your support! And please take a moment to look at **ALL the names of businesses and churches below**. When you utilize these businesses, or see the church pastor, **thank them** because they support the PLCHC commitment to life! Registration begins at 1:30 and the Walk starts at 2:00.

SAYING GOODBYE IS SO HARD!

We recently waved goodbye to some beloved co-workers in Christ. Each came to us in a special way and fulfilled their role in this ministry with a heart for Jesus. We are heavy-hearted saying these goodbyes, but know that God has been and will continue to bring the right people to serve with us at The PLC Health Clinic and The Langdyn House. He never fails to meet the need.

Tiffany Howard was Clinic Nurse from 2022 - 2025 and had to leave us for medical reasons and recently passed away. We miss her sweet, loving spirit and pray comfort over her husband, Frank, their children, and their church body at The Forge Christian Ministries.

Lisa Rodman has been our Patient Services Coordinator since 2023 and has retired to spend more time with her husband and family. She made a special, loving connection with each of the moms, babies and families she worked with. We pray all the best for her and are incredibly thankful for her time at PLC.

Tessa Cochran, Development Director and Housing Coordinator, spent a wonderful year with us. She and her husband have moved so that he can pursue a job opportunity in Virginia. Though her time with PLC was short, she impacted our house residents and babies in wonderful ways. We pray blessings over her new home and family (baby coming in September!)
