MEET OUR NEW EXECUTIVE DIRECTOR!

The Board of Directors at the PLC Health Clinic is proud to announce **Jody Wannemacher as the new Executive Director!** Jody received a B.S. in Psychology-Life Coaching, with a Minor in Christian Counseling, from Liberty University and a M.A. in Pastoral Counseling-Marriage and Family Studies, from Liberty University. Not only does Jody have experience in various non-profits and business ownership, but she has been the Teen Services Coordinator for the last 3 years and, prior to that, served on the Board of Directors at the PLCHC. Her working knowledge of this ministry, combined with her strong, established relationship with the staff and volunteers will be a **priceless asset**. She officially begins her new role on October 5 and will be **training alongside former Executive Director, Trina Langdon**, until the new year.

Jody and her husband, Pastor Chris, recently launched “the CHURCH”, a church with a focus on sharing Christ through community outreach, in Van Wert. Together they have 4 children- Bain (and wife Channing) live in Tulsa, OK; Skylar, Kannen and Gage all live in Van Wert. They also have one grandson, Bryce. Jody enjoys spending time with her family, cheering on her son and grandson in athletics, camping, decorating, and relaxing by the pool. Jody has big visions for the future of the PLC, and we can’t wait to see how God uses her in this ministry. We truly believe that **God has placed her here for such a time as this**. Please join the Board of Directors, staff and volunteers in welcoming her into this new position and in praying for a smooth transition. **May God richly bless you in your new role, Jody!**

WALK FOR LIFE 2020!

On September 20, we held our **virtual Walk for Life**, with lots of people using our hashtags to share pictures and videos of their groups, families and churches walking in support of the PLC (which we encourage you to check out on our Facebook page)! The hashtags gave us a sense of togetherness in our common goal, even though we were apart. We had about **150 total walkers, who together raised \$43,000 of our \$45,000 goal!** We are so proud of our walkers! The top churches this year with walkers raising funds were: **Jennings Road Church of Christ** (for the 6th year in a row as #1-\$6,610), **First Baptist Church** (\$4,547), and **Calvary Evangelical Church** (\$3,760)! Our top walkers were: **Nancy Friemuth**, (\$3,575), **Anita Searl** (\$3,140), and **Darle & Linda Baker** (\$1,805). We’d like to thank **Thrivent Financial for the seed money** that helped us pay for promotional items for the Walk. Follow our “Bridge the Gap” campaign on social media to see how YOU can help us meet our \$45,000 goal!

CLIENT SPOTLIGHT!

Even though COVID19 has given everyone new challenges, we are pushing through! There are **ZOOM classes available** when there are multiple patients signed up. This has been a great way to continue to provide our services while keeping everyone **safe and healthy**. If we have new patients or someone with a baby in an infant car seat, there is still the option of a one-on-one class. We are looking forward to offering group meetings and supporting patients when things return to normal!
