

VIRTUAL FUNDRAISER RESULTS

The pandemic may have limited our Medical Fundraiser to a virtual format, but God used those limitations to show us HE HAS NO LIMITS! Leading up to the event we wondered... Could we pull it off? Would people tune in? Would it be successful? In past years, our in-person banquet would average 300 in attendance, but our Virtual Fundraiser has reached 3,000 online. **WOW!** To think that God basically filled our event space **TEN TIMES OVER** reaching more people than ever with a powerful pro-life message! We are humbled and awed. So now, we watch and wait for those viewers to prayerfully respond to the call. Our budget need is \$70,000 and we currently sit at \$50,000. Can you help us bridge the gap that remains? If you haven't already watched the video, it is still available on our Facebook Page and website. Please feel free to share it to keep the views climbing!

Welcome New 2021 PLC Board Members

In January, the PLC welcomed three new board members: Danielle DeVenney, Marie Markward, and Amanda McGarvey. We appreciate their servant hearts!

Danielle is happily married to her best friend, Joel, and is blessed to be called "Mom" by their two boys, Carson (7) and Clayton (1). Their family attends Harvest Field Pentecostal Church in Scott, Ohio. They had the great honor of serving as missionaries in Guatemala for several years and they still have a heart for mission work. Danielle says, *"When asked to serve on the PLC board, I was humbled and blessed by the opportunity to team up with such a fruitful ministry. I can not wait to see how the Lord will move in the years to come."*

Marie and her husband, Ken have been married since June 1984 and are the parents of four adult children: Crista, Tina, Cody and Caleb, and have one granddaughter, Avalyn who is 4 1/2 years old. They attend Trinity United Methodist Church and enjoy the fellowship and music ministries there. Marie is in her **25th year** of teaching (she spent 13 years as a stay-at-home-mom in between years of teaching) and is currently an Intervention Teacher at Van Wert Middle School. Marie is also Trustee for the Van Wert County Historical Society, a 4-H advisor for Clever Clovers, and enjoys reading, gardening, and walking. She says, *"I'm looking forward to becoming more involved in the ministry of PLC!"*

Amanda is a single mother of a 12-year-old son and they attend the Church, Van Wert. She works at Eaton and has lived in Van Wert all her life. She says, *"I am honored to have this opportunity to play a part in helping give aid and support to these new mothers, and to give a voice to the unborn by helping the mothers choose life. The Lord said, '...before I knitted you together in your mother's womb, I knew you.' (Ps. 139:13 & Jer. 1:5) Every child conceived has a purpose and is precious to God regardless of the circumstances of conception. I believe it is our responsibility as believers to do everything possible to help, and I'm excited to be able to make a difference—even if it's just one life, it's worth it!"*

Patient Stats & Praise

The winter months are often slower at the clinic due to weather and illness, but below are our combined January/February stats:

Pregnancy Tests: 8

Ultrasounds: 12

STI Tests: 8

A PLC patient recently had this to say about her clinic experience: *"PLC was a godsend thru the first part of my pregnancy. As this was my first pregnancy, and I was never supposed to be able to have children, it was so comforting being able to go in and make sure he was where he was supposed to be and was growing at the right pace. The support and comfort that I felt leaving my first visit was so much more than I had expected walking in. Having a picture right off the bat to show his daddy and later his grandparents was also a unique, special experience for me. The amount of anxiety I would have experienced given my circumstances would've been completely overwhelming without PLC and I will be forever thankful. "*
