

**Dear Friends for Life**, each year we enjoy giving you a glimpse of the new lives welcomed into the PLC Health Clinic family and share parent testimonials of the work we do. These are just a small representation of the lives **you help change** by supporting the PLCHC. We thank our photographer, our very own Clinic Manager, **Staci Yenser**, for her fantastic work in capturing the beautiful personalities of these babies, our Patient Coordinator, **Julie Dorsch**, for the amazing job of organizing picture day and **Kelly Keyser and Whitney Webster** for their help.

While 2021 did not bring quite the challenges that 2020 did, we did navigate through a few unique unknowns; having our banquet virtually and learning to lean into God in a very different way. One thing that did not change was that we saw our supporters come through in an extraordinary way once again regardless of their own personal struggles and obstacles.

Our support system continues to faithfully keep their eyes on Jesus and give above and beyond what our human hearts could imagine possible. Each of you continue to be a cornerstone of the PLCHC's financial foundation and allow us to keep our focus where it belongs—on those we serve.

The Medical Banquet was a success once again even as a virtual event. You were faithful to fulfill your pledges which enabled us to exceed our goal. Moving forward to our Walk for Life just a few months ago, we were **finally** able to fellowship in person once again. We embraced every minute of time together with our supporters and watched God work through you as He always does. Our projected goal was **met and exceeded** there as well.

As I write this, just over a year into this new role, I am incredibly grateful for everything that the PLC Health Clinic continues to be able to accomplish within our community **because of you**, and I'm humbled by the way our ministry family has embraced and stood behind me with such a profound level of support. It is a testament to just **how much you believe in the work we do and the mission** behind this ministry.

While this year was not challenge-free, we are thankful for God's mercies that surrounded us each day. He has blessed this ministry above and beyond any work or vision that we could fathom. We left 2020 learning to be adaptable, and now we leave 2021 **embracing a sense of resiliency**. We look ahead to 2022 with **hope and intentionality**; to continue to do the work God has called us to and to share the Good News to those we serve.

**Merry Christmas and a Joyous New Year from the PLCHC staff, board of directors, and volunteers.**

In His Service,

*Jody Wannemacher*

PLC Health Clinic Executive Director

## 2022 Banquet Fundraiser—March 3rd

Our 7th Annual Medical Banquet is scheduled for **Thursday, March 3rd** at LifeHouse Church with keynote speaker Dr. Steve Hammond. Dr. Hammond is co-author of the book, **The Christian and Abortion: A Non-negotiable Stance**. He has been practicing Obstetrics and Gynecology in Jackson, TN for 40 years. He is board-certified by the American Board of Obstetricians and Gynecologists, is a Fellow of the American College of Obstetricians and Gynecologists, serves as Medical Director of Clinical Research at The Jackson Clinic, and has served as the Principal Investigator for scores of clinical trials. During his career he has delivered over 4,000 babies. Before becoming a strong proponent of the **Pro-Life movement**, Dr. Hammond performed more than 700 abortions as a resident at The Medical College of Georgia. Today he passionately speaks for the Pro-Life movement on the Sanctity of Life.

Our annual banquet fundraiser is **by reservation only**. The banquet is free, but reservations are required. Contact us soon if you're interested in attending and help us raise the \$78,000 to keep our clinic going strong in 2022!

**We THANK our 2022 Banquet Sponsors!**

**Indiya Alyse**  
born 4/30/21

*"My ultrasound was definitely an exciting experience. To be able to see my baby for the first time felt like a miracle. Julie (staff) is the most caring individual I have had come into my life; she listens and gives great advice for the future."*

-Indiya's Mom

*"I'm in a group Bible study and I like the interactions with other stay-at-home moms that I don't get elsewhere. It encourages me to know that I am not alone and strengthens my relationship with Jesus."*

-Lloyd's Mom

*"The Bible studies are easy to understand and are really interesting. They helped me realize what I'm doing well and what not, and what I need to be a better mom."*

-Elian's Mom

**Elian, born 8/19/21**

**Lloyd Ezekiel**  
born 3/22/21

**Nevaeh Nichole**  
born 8/10/21

*"The care we get at the PLC is amazing. The staff here are outstanding and very welcoming. I would recommend the PLCHC to people who are thinking about having a baby or who are pregnant."*

-Nevaeh's Mom

*"The PLC prepared me to care for my baby by teaching me different things to expect throughout Easton's milestones. They provide many different videos full of lots of knowledge."*

-Easton's Mom

**Clifford James**  
born 1/11/21

*"The PLC staff has treated me and my child as a family. They don't judge and they work with us through difficult times."*

-Clifford's Mom

**Easton Crue**  
born 10/27/20

**Nation Wendell**  
born 9/29/21

*"The PLC gave my family a diaper bag full of baby boy goodies. The classes have hit home and made me realize I wasn't alone."*

-Nation's Mom

**Hazel Justine**  
born 5/5/21

*"The PLC staff is always so welcoming and positive. You never feel alone or uneasy. The staff gives the PLC a warm atmosphere and are always there to help whoever needs them."*

-Hazel's Mom

*"Shopping at the Baby Boutique makes me feel better because I can get what my child needs. I feel very supported and love getting the basic needs and cute items. The staff gives good advice to help me deal with things."*

-Kaya's Mom

*"My ultrasound at the PLCHC was very simple and a pain-free experience. It was fast, quick, and easy. I got clear ultrasound pictures to keep."*

-Keri

**Kaya Riley**  
born 3/18/21

**Keri's Baby**  
born 9/6/21

## LIGHT FOR LIFE DONORS KEEP THE LIGHT SHINING

Our Light for Life program is comprised of individuals who faithfully give \$10 or more a month which helps to replenish Baby Boutique inventory, update educational materials, and keep our utility bills paid. Light for Life donors truly **keep our lights shining!** Donors receive a PLC baby photo magnet, which is a great prayer reminder. If you would like to become a Light for Life, **please contact us!** Our **2021 Light for Life Donors** provided \$9,650! We thank each and every one of them:

Christmas came early to the PLC as we recently purchased a **new ultrasound machine!** While this was **needed to keep our clinic running smoothly**, it was a rather large expense. Perhaps you might consider an **end-of-year donation to help offset this unexpected cost.** We were thankful for Hobie Sears of Probo Medical as he was instrumental in helping us secure the most cost-effective machine for our facility. It was a comfort to know that he works with multiple other pregnancy centers (PRCs), and that he and his wife have a heart for pro-life agencies. Hobie writes the following:

*"I have been working with PRCs and their ultrasound systems for nearly 15 years. I help with troubleshooting ultrasound issues and also help navigate the purchase of equipment. My focus is to be as cost-conscious as possible while still delivering quality service. Communication is a vital and constant process as I work to be sure they understand the market and assist them in saving some money along the way.*

*An ultrasound machine will be perhaps the largest purchase a PRC will make. After multiple conversations with PLC clinic staff to discuss their specific needs, I had a solid understanding and was able to recommend a system that fit them very well and will service them into the future nicely.*

*My involvement in the PRC community has increased since my wife, Cami, a sonographer, took a job with Women's Centers of Ohio as the Ultrasound Medical Manager for all of their locations. During this time, I've become more involved with the national support groups for PRCs. I've spoken at several conferences at Heartbeat and the company I work for has provided facilities and equipment for NIFLA to perform training.*

*We both enjoy working in the PRC community and helping them realize and understand the advantage of a quality ultrasound machine and how it helps with their mission."*

Hobie Sears,

Probo Medical Senior Territory Manager

Staci Yenser & Heidi Kline  
Clinic Staff
