

VIRTUAL FUNDRAISER 2021

Due to the ongoing complications of the pandemic, our Annual March Fundraiser will be a **VIRTUAL** event. On Thursday, March 4th, we invite you to visit our website or Facebook page for the link to join us virtually. The event will include remarks from Executive Director Jody Wannemacher, a behind-the-scenes look at what we do on a daily basis, a patient testimonial and our Keynote Speaker, Monica Kelsey.

Fellowship of Giving

February 8th is being sponsored by Heidi Kline and her family to honor the birthday of her husband, Dan! As he celebrates his birthday, they celebrate him. Dan is a wonderful, hardworking father of 11 children, an excellent teacher, and a good son. He is appreciated and known as the spiritual leader in their home. And even in the midst of their busy schedule with school, commitments, and everyday life, he finds time to be a thoughtful, loving husband. They proudly support the work and mission of the PLC Health Clinic.

We hope Dan enjoys a day of soaking up special time with his family, and we thank Heidi and her family for sharing in today's Day of Giving!

Monica is the founder of the Safe Haven Baby Box movement sweeping the nation and saving abandoned babies' lives through electronically monitored boxes installed in fire stations and hospitals, including our own Van Wert Health. Monica's story includes her own abandonment, subsequent adoption and reality of the circumstances surrounding her mother's pregnancy. Today Monica is standing on the front lines defending the innocent children that are targeted for abortion and abandonment. We are excited for you to hear about Monica's simple yet effective mission: protect all human life from conception till natural death.

A few things to note about our 2021 Fundraiser:

- We would love to have you **join us virtually at 6pm on March 4th through our website or Facebook page** for the event. If you aren't able to watch with us, it will continue to be available to watch at your convenience.
- Due to the virtual format there will not be a meal. With the funds we had set aside for catering, we've chosen to purchase gift cards for groceries and local restaurants for our PLC patient families.
- Join us in **prayer** and in financial partnership as we seek to meet the \$70,000 goal to keep our clinic going strong in 2021!

The first week of March we'll go live on Facebook! You'll catch a glimpse of our clinic, meet the staff, and join us in building the excitement leading up to our **VIRTUAL** event!

While our fundraising platform looks different, our mission has not changed. It continues because of YOU and a community that believes in the ministry of the PLC Health Clinic! We recognize and thank **YOU** and our sponsors (listed below) for the ongoing support and encouragement.

PLCHC ENDOWMENT FUND

The PLCHC has set up an endowment fund through the Van Wert County Foundation! This is a professionally managed, long-term account in which individuals can make tax-deductible contributions. It is also possible to leave portions of one's estate upon death to the fund through an estate plan. The purpose of the fund will be to provide for long-term future needs of the PLC. For questions or to contribute, contact Seth Baker at the Van Wert County Foundation at 419-238-1743, or contact your estate planning attorney. Thank you for supporting the PLC Health Clinic today and for generations to come!

I want to support PLC Health Clinic!

The PLC Health Clinic is a pro-life non-profit that offers free pregnancy testing, limited obstetric ultrasound and STI testing. In addition, the clinic provides emotional, spiritual, educational, and material support to women, men and teens. We are 100% locally funded with a budget of \$180,000 in 2021. Your generous tax deductible gift will help sustain this vital ministry. Please fill out your giving information and utilize one of the following options: drop it off at our office, mail it to us with your check, or go to our website to donate.
