October 2022

We cannot begin to express **how thankful** we are to everyone who donated to our Walk for Life and came out to support us at Franklin Park on September 18th. God is always surprising us, and one of the best ways He does that is through His people. The Monday after the Walk we knew we had raised close to \$46,000, just shy of our \$50,000 target, when an anonymous donor stopped in and left a check that brought us to our goal! And our supporters didn't stop there... **at present we've raised over \$56,000!**

These funds will go a long way to help continue the free, vital, compassionate services we provide to the community. Our theme, **"Little Life, Big Story"** is rooted in Psalm 139:16 "Your eyes saw my unformed body, all the days ordained for me were written in your book before one of them came to be." Each one of you who walked, donated, encouraged, prayed, and supported are a **BIG STORY** to the little lives we serve! Many thanks to Pastor David To (Trinity United Methodist) for opening our Walk in prayer, Van Wert Manor for providing bottled water for our walkers, First Church of God for the extra parking, popsicles and cold water, The Well for the promotional tea and free refresher tea after the Walk, and for each church, business and individual who supported the Walk. We also thank our staff, board, volunteers, church liaisons, and Business Liaison, Linda Baker. May our Lord richly bless your generosity.

God can take something seemingly sad and turn it into something good through His people. With the closure of Trinity Evangelical Lutheran Church, the congregation chose to distribute funds to local organizations. We have been blessed to receive a donation of \$5,000 from their congregation to put toward the start up costs of The Langdyn House! Thank you to Trinity's congregation and to those who continue to give. You are the backbone of this ministry and nothing we do could be accomplished without your faithfulness to His Calling.

Webster Family - Fellowship of Giving Sponsor

The Webster Family sponsored a week in August to celebrate their family. Trevor and Whitney celebrated their 16th wedding anniversary on July 22. Daughter, Adria is an incredible young lady and big sister, and an amazing cupcake baker. Son, Cooper celebrated his 12th birthday in July and is pretty much one of the coolest and hard-working kids we know, and so funny. Their son, Berkeley, is a fun, energetic kid that enjoys life and making people laugh. And daughter, Lyla Rose, who is the cutest, most engaging girl who loves her siblings a lot. Thanks to the amazing Webster Family for your support and sponsoring a full week to keep our daily operations at the PLCHC going!

P.I.N.K. PROGRAM

We want to extend a warm welcome to our new PINK Coordinator, **Alea Rex**. Just a little about Alea: "I am a Van Wert High School graduate and worked as a surgical technologist for the last 4 years. I've been married for almost 6 years and have two boys. I run our 8 to 12 year old children's ministry at my church. I have a heart for the youth and am passionate about setting good examples for this next generation. My favorite part about working with young people is to show them how loved and special they are. 'But Jesus said, 'Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven.'" (Mth 19: 14 NKJV)

We are so excited to have Alea joining us and working in the schools for the middle school PINK Program. **Welcome to the team, Alea!**
