

## PINK Scholarship Award Winners

Hannah Schmiesing,  
Crestview

The PLC Health Clinic is blessed with the resources to award scholarships to the three local schools where the P.I.N.K. program is offered to middle-school aged girls. The three senior girls receiving scholarships participated in PINK for two years and completed a scholarship application. This scholarship was established to honor former Executive Director Trina Langdon who founded the program for middle school girls. P.I.N.K. stands for Purity, Integrity, New Ideas and Knowledge, and was designed to focus on those core ideals to promote healthy friendships, support and self-esteem. The essay questions were so well answered that our panel of judges had a difficult time choosing the overall winners. (Winners pictured with Alea Rex, P.I.N.K. Coordinator)

The PLCHC staff, board and volunteers applaud winners Kianna Cook, Hannah Schmiesing, and Melody Gorman and wish them all the best in their future endeavors!

## Employee Transitions

Changes are happening at PLCHC within our Patient Services as Julie Dorsch retires and we welcome Lisa Rodman into the position. We are sad to see Julie leave and wish her happiness in her retirement adventures, and at the same time, we are thankful and happy to welcome Lisa!

Julie writes: "It has been about a year since the countdown started to my retirement. I've had a year to think of how it would feel to no longer be an employee of the PLC. How do you say goodbye to friends, coworkers, clients and supporters that you have come to know and love over the past nine years? You really don't. Everyone I've met during my time at this amazing place will always be with me. This isn't a job, it's a way of life that once chosen never leaves you. There is no way to walk out the door and forget every sweet baby, every mother going through the emotional rollercoaster of pregnancy, every bit of laughter, tears, hugs and prayers shared within these walls. They will go with me. God has blessed me with some of the best people I have ever known by placing me at the PLC. Jody and Kim - thank you for the abundant wisdom and grace you have shown me on a daily basis. I pray that Lisa will appreciate you as much as I have. With all of that said, this isn't goodbye, it's see you soon. 'And now these three remain: faith, hope and love. But the greatest of these is love.' 1 Corinthians 13:13"

Lisa writes: "I have lived in Van Wert most of my life and graduated from Lincolnview. I've been married to my best friend Ken since 1985 and we have three fantastic kids and three very special grandchildren. We attend church at the CHURCH in Van Wert. God was working in my life and leading me into a new direction when I applied for the Patient Services Coordinator position. I look forward to serving women and children at this wonderful agency." Lisa is also a nurse for Home Health and a volunteer at The Portal 2:20 Teen Center. Her hobbies include bike riding, camping, and spending time with her grandkids.

## Fellowship of Giving Spotlight

Dan and Heidi Kline sponsored April 11th in honor of Phyllis Kline. Heidi says, "When people ask what Kline family I married into, and I say 'Phyllis Kline'... the response is often 'oh, she's such a sweetheart!'" Her love for her biological and adopted grandchildren is unwavering. She loves to love. For that, we celebrate her today - a woman who values every child no matter what! Thank you, Phyllis, for welcoming our 11 children with open arms!

We thank Dan and Heidi for their continued support of the PLC Health Clinic and its mission.

## PLC Walk For Life Theme Announced

We are so excited to share our theme for the Walk for Life this year! One of our biggest goals at the PLC Health Clinic is to make sure the women we serve know that we will walk beside them, love them, serve them, empower them, and equip them to be the best mothers they can be. We want to love and protect the lives of their babies - but we also want to love and serve the mother in the best ways possible. We are called to LOVE THEM BOTH and that's what we strive to do every single day in the work we do. We take this calling from 1 Corinthians 13:13 "And now these three remain: faith, hope and love. But the greatest of these is love."

You can help us LOVE THEM BOTH by walking with us Sunday, September 17th and partner with us to reach our goal of \$52,000. Pledge forms will soon be available at local churches and online. Raise \$250 or more and earn a free T-shirt! Follow us on social media as we post updates about the Walk.
