

In September we held our Walk for Life and were blessed beyond measure to have over 200 join us to show that we "Love Them Both"! We are currently only \$300 short of our goal of \$52,000, and know that God has us and will supply. Every bit of the funds raised help us provide free, vital, compassionate, and faith-anchored services to the Van Wert community and surrounding area.

Every person who walked, raised funds, donated, encouraged, prayed, and supported the Walk for Life have played a part in the PLC Health Clinic's ability to "Love Them Both". Our thanks go out to Pastor Clark Williman (Calvary Evangelical Church) for opening prayer, Van Wert Manor for bottled water, First Church of God for the overflow parking, popsicles and cold water, The Well Nutrition for the promotional tea and refresher teas for our walkers, and each and every church, business and individual who supported the Walk. A BIG thank you to our staff, board of directors, volunteers, church liaisons, and business liaison, Linda Baker. May your generosity multiply beyond measure!

If you would like to help us close the gap for the Walk Funds needed to meet our goal, you can send a check or give online at [plchealthclinic.org](http://plchealthclinic.org) and click on "Donate Now".

HAPPY BIRTHDAY

## Fellowship of Giving

We recently celebrated long-time PLC supporter Glendene Vanlandingham with a Fellowship of Giving day for her 100th birthday on August 11. Glendene is the inspiration behind our **Langdyn House 1 of 100** Fundraising campaign that launched on her 100th birthday, and her congregation at Pleasant Chapel UMC donated funds in her honor! She is such a motivator to all who know her - to strive to do better and be more in the name of Christ! Thank you, Glendene, for your many, many years of prayerful and financial support, and for encouraging your church and everyone around you to be giving and openhanded to ministry. As Glendene tells us, **"You can't out-give God!"**

## CLIENT SPOTLIGHT

When Lizzet was unexpectedly faced with parenting her son alone, a friend at church recommended that she contact the PLC Health Clinic. She started classes and began earning all the things that would be difficult to purchase on a single income. Lizzet is a working mom and has a good support system of friends, but parenting and providing sometimes require a little extra help. She appreciates the educational classes that explain the current milestones her son is working through, and she does a lot of research on her own for information. Lizzet says, "The PLCHC has helped me as a single mom with items for my baby that he really needed, like formula, diapers, clothes, and a much-needed baby gate. I have also made new friends with the PLCHC staff."

We love watching Lizzet grow in her role as a mom and are extremely impressed by her efforts to work AND find time to take the educational classes we offer. She and her son are a sweet reminder of why we love the work we do at the PLCHC!
