

## BANQUET RESULTS

We are incredibly blessed to be centered in the most generous, compassionate and caring community! The Medical Banquet was a beautiful evening celebrating life and spending wonderful time in fellowship with one another. Guest Speaker, Jess Ford brought an impactful message of hope and our client spotlight speakers did a terrific job as well. We had a number of people who intended on coming but missed out due to unexpected illnesses, but we still had a record number in attendance this year! Our supporters raised \$102,000 during our Banquet and more funds are trickling in each day. Everything we make over our goal will be put toward the Langdyn House Maternity Home to allow us to offset our operating costs and to help us with the purchase of a vehicle for transporting clients to appointments. If you were unable to attend, but would still like to donate, you can do so by going to our online giving site and selecting "medical banquet", or send your donation to the PLC. A special thank you to our client spotlight speakers: Jorge, Rocio and adorable baby Fatima. Their words of appreciation were so inspiring and they blessed our supporters with their thoughtful words. Thank you to everyone who helped behind the scenes to make the night possible: LifeHouse Church for hosting us, Streetlight Catering, Wonder Event Co., and the many volunteers who made the event go smoothly. We especially want to thank our Banquet Sponsors: Strategence Capital, Edward Jones, Custom Assembly, Ohio Health, Van Wert County Foundation, Blue Creek Farms, Calvary Evangelical Church, Redeemer Lutheran Church and the CHURCH. We continue to be in awe of how God works through His people and we give Him all the glory for providing for our needs!
