

## SCHOLARSHIP WINNERS 2024

Chloe Dettrow, Van Wert

Over the past several years the PLC Health Clinic has been able to award scholarships to graduating senior girls in the three local schools where our P.I.N.K. program is offered. This year's recipients are Chloe Dettrow, Van Wert High School; Maddisyn Waltmire, Lincolnview High School; and Melissa Joseph, Crestview High School. The P.I.N.K. Scholarship was established to honor former Executive Director Trina Langdon who founded the program for middle school girls. P.I.N.K. stands for Purity, Integrity, New Ideas and Knowledge, and was designed to focus on those core ideals to promote healthy friendships, support, and self-esteem. Each applicant is required to have participated in the program for 2 years in middle school and complete an application which includes essay questions. (Winners pictured with Alea Rex, P.I.N.K. Coordinator.)

On behalf of the PLCHC staff, board and volunteers, we wish Chloe, Maddisyn and Melissa all the best as they carry into the future the best aspects of valuing themselves and creating positive relationships. May God bless and keep you!

Crestview

Maddisyn Waltmire,

## Client Spotlight

Meet Tiffany and her son, Dawson! Tiffany has been coming to the PLC Health Clinic since finding out she was pregnant, and she continues to come to classes and Bible Studies, bringing along Dawson, who we're always happy to see. Tiffany is married, is able to be a stay home mom to Dawson and her step-son, and is plugged in to a local church. Tiffany appreciates the use of the Baby Boutique to help offset some of the expenses that come with raising a toddler. Dawson enjoys playing with his older brother, likes ice cream (who doesn't!), and his favorite word is "go". He's walking, eating regular foods (although veggies are a big no), and his vocabulary is growing. Dawson is also big into baseball, and recently a donor gave us some baseball toys that we were able to pass along to him, and he was so excited. Tiffany says of her experience at PLCHC:

**"When I found out I was pregnant, my sister recommended me to the PLC. I have enjoyed Bible Study and learning about every child's different needs and milestones (through the Bright Course parenting classes). The PLC staff has been a blessing to us!"**

# WALK FOR LIFE 2024

We're so excited about our Walk for Life theme this year which comes from Micah 6:8, "...And what does the LORD require of you? To act justly and to love mercy and to walk humbly with your God." You can do all those things and help us to do so for those we serve when you join us for our annual Walk for Life Sunday, September 15th at 2 p.m. at Franklin Park.

We want to make sure the women we serve know that we strive to walk beside them, love them, serve them, empower them, and equip them to be the best mothers they can be. We want to love and protect the lives of their babies - but we also want to love and serve the mother in the best ways possible. We are called to ACT, LOVE, AND WALK and that's what we strive to do every single day in the work we do.

Walk pledge sheets and t-shirts will be available in August! Follow us on social media for more information.
