

Our supporters showed up big time to our Walk for Life in September and we joined with over 225 walkers from different area churches to "Act, Love, and Walk" together! Our goal was met and exceeded with a total of \$59,921! Every bit of the funds raised help us provide free, vital, compassionate, and faith-anchored services to the Van Wert community and surrounding area.

If you walked, raised funds, donated, encouraged, prayed, and /or supported the Walk for Life in any way, we thank you for being a part of the PLC Health Clinic's ability to serve this community. Our thanks go out to Pastor Chris Wannemacher (the CHURCH) for opening prayer, Van Wert Manor for bottled water, First Church of God for the overflow parking, popsicles and cold water, the walkers, and each and every church, business and individual who supported the Walk. A BIG thank you to our staff, board of directors, volunteers, church liaisons, and business liaison, Linda Baker.

## Walk Spotlight

For many years there has been a regular face present at our Walk for Life; the face of a caring, enthusiastic, all-out supporter of the PLCHC - **Bruce Zinn** from Trinity Friends Church. Almost as soon as we have pledge sheets available, Bruce is asking for sponsorship from his church family and community - and they give generously! Bruce is definitely a TOP WALKER every year and this year we just wanted to acknowledge his efforts and thank him for his unwavering commitment and support. It's people like Bruce who keep us going - able to offer the free and confidential services to our community to support LIFE. We want to be like Bruce, and so should you! Be whole-hearted and generous where God puts you!

# CLIENT SPOTLIGHT

**Meet Toby!** Toby is a first time Mom and is pictured here in her third trimester of pregnancy. She was referred to us from a friend who utilized our services herself for over 2 years. When Toby came to the PLC she was newly pregnant, and shared with us that it was a high-risk pregnancy. She and her fiancé are in the process of purchasing their first home. Toby says, "I have received a lot of insight from the classes at the PLC about what to expect throughout my pregnancy." She also loves shopping at the Baby Boutique and says "... it has helped tremendously since I'm no longer able to work full-time". Through our Learn-and-Earn classes, she was able to earn a car seat-stroller combo. She shared a prayer request for a healthy delivery and a smooth transition into their new home. UPDATE: Toby's baby girl arrived before our newsletter was printed! She was born October 4 and was a healthy 6 lb 5 oz and you'll get to meet her in our December newsletter.

We praise God for Toby's healthy delivery and ask that you pray with us for their health and Toby's continued growth in her role as a new mom.
