

BANQUET RESULTS

Each year we are blown away by the generous outpouring and support of this giving community! This year marked our 10th annual Medical Banquet and we (and many others) have expressed that it may be our favorite so far. Guest Speaker, Steventhen Holland shared his story of how his birth mother's love not only gave him life, but also value and restoration. We also heard from two client spotlight speakers who shared their appreciation of the PLC Health Clinic and the programs that help them earn much-needed baby items. Executive Director, Jody Wannemacher, took time to walk us through some of the statistics at the clinic as well as give an update on our maternity home which opened June of 2024 and houses 2 residents currently. Our supporters raised an incredible \$119,500 during our Banquet and we are so grateful. If you were unable to attend, but would still like to donate, you can do so by going to our online giving site and selecting "medical banquet", or send your donation to the PLC. A special thank you to our client spotlight speakers. Their words of appreciation were so inspiring and they blessed our supporters with their thoughtful words. Thank you to everyone who helped behind the scenes to make the night possible: LifeHouse Church for hosting us, Streetlight Catering, Wonder Event Co., and the many volunteers who made the event go smoothly. We especially want to thank our Banquet Sponsors: Strategence Capital, Edward Jones, Custom Assembly, Van Wert County Foundation, Harvest Field Pentecostal Church, Blue Creek Farms, the CHURCH, Calvary Evangelical Church, and Redeemer Lutheran Church. We praise God for how He works through His people and we thank YOU for leaning into His generous spirit!

Patient Spotlight

Baby Arizona was welcomed into the world by her parents Alizay and Zaenen in March. They have been attending classes here since expecting and had their ultrasound in our clinic. They share that their experience at the PLC Health Clinic has been very good. They learned a lot prior to baby's arrival with our labor and delivery class, and also found the newborn care classes helpful. The classes enabled them to earn a car seat base and baby monitor, and they appreciate that they can earn diapers and wipes (which are so expensive!). We know that Arizona is well loved by her mommy and daddy and ask you to join us in praying for their new family.
