PINK Scholarship Winners 2025

The PLC Health Clinic awards scholarships to graduating senior girls in the three local schools where our P.I.N.K. program is offered. This year's recipients are Mia Rager, Van Wert; Lakyn Bailey, Lincolnview; and Natalie Burk, Crestview. The P.I.N.K. Scholarship was established to honor former Executive Director Trina Langdon who founded the program for middle school girls. P.I.N.K. stands for Purity, Integrity, New Ideas and Knowledge, and is designed to focus on those core ideals to promote healthy friendships, support, and self-esteem. Each applicant is required to have participated in P.I.N.K. for 2 years in middle school and complete an application which includes essay questions. (Winners pictured with Alea Rex, P.I.N.K. Coordinator.)

On behalf of the PLCHC staff, board and volunteers, we wish Mia, Lakyn and Natalie all the best as they carry into the future the best aspects of valuing themselves and creating positive relationships. May God bless and keep you!

September Walk for Life 2025

Our 2025 Walk for Life will be Sunday, September 14 and this year our theme focuses attention on the heart of our mission - **"All the Babies, All the Time"** 2 Corinthians 9:8 says "...God is able to make **ALL** grace abound to you, so that having **ALL** sufficiency in **ALL** things at **ALL** times, you may abound in every good work." (emphasis added).

There is *not one baby* who doesn't deserve value, life and love. When you walk with us and ask sponsors to support you financially, you bring awareness to the work we do and you promote our efforts to provide compassionate care and support to women and families in your community.

PLC Health Clinic is committed to serving the unique and underserved needs of women, men, and families with comprehensive, life-affirming care, and education in a compassionate and non-judgmental environment. We want to make sure the women we serve know that we strive to walk beside them, love them, serve them, empower them, and equip them to be the best mothers they can be. We want to love and protect the lives of their babies - and we also want to love and serve the mother in the best ways possible. Walk pledge sheets and t-shirts will be available in August!
