

Walk for Life is Sunday, September 14th at Franklin Park, Van Wert and our theme, **"All the Babies, All the Time"** is our everyday focus as we strive to live in and believe fully the words from 2 Corinthians 9:8 "...God is able to make **ALL** grace abound to you, so that having **ALL** sufficiency in **ALL** things at **ALL** times, you may abound in every good work." (emphasis added). It's **ALL** about Him, and you, and us, working together. Our Lord can do amazing things through your generosity and the skills he has equipped in each staff person at the PLC Health Clinic! **Pledge forms are now available** through local churches, the PLC Health Clinic and online, and we hope you'll grab one and walk to help us raise the \$56,000 needed to continue the free, vital, compassionate services we offer to our community. **Raise \$250** and earn an awesome t-shirt to wear to show your support! And please take a moment to look at **ALL the names below**. When you utilize these businesses, or see the church pastor, **thank them** because they support of the PLCHC commitment to life! Registration begins at 1:30 and the Walk starts at 2:00.

A FRESH / SEASONED LOOK AT THE WALK FOR LIFE

FRESH - Tessa Cochran

This is my 1st Walk for Life Honored to be the newest member of the PLC team, as Development Director for the past 3 months. It's already been such a blessing to be part of a place that offers so much hope, compassion, and support to women and families in our community. I've already held and loved on 5 precious PLC babies—and more importantly, had the chance to get to know the incredible women we serve here and witness their strength and stories firsthand. I couldn't be more excited to walk alongside the amazing ladies of the PLC—and all of you who so generously support this mission.

SEASONED - Kim Clayton

This is my 25th Walk for Life Blessed to be a PLC volunteer/staff for 22 years and weathered the expansions of becoming a medical clinic and offering maternity housing. As Office Manager, I'm behind the scenes watching how Walk funds are put to work, and I've witnessed countless lives and families changed because of your generosity and faithful prayers. I've held / prayed for / loved on well over 250 PLC babies, and I firmly believe that **ALL** those babies are valuable and dear to their Creator. Your support gives me the opportunity to work (although it never feels like work) at a place where my heart is invested, and I am thankful!
