

The Walk for Life is once again behind us and we are happy to report that God is faithful as always - we exceeded our goal and raised \$59,600! The beautiful Sunday in September brought walkers from different area churches, businesses and organizations to walk together to show how we love **"All the Babies, All the Time!"** Each walker raised funds to help us continue to provide free, vital, compassionate, and faith-anchored services to the Van Wert community and surrounding area.

We thank everyone who walked, donated, encouraged, prayed, and supported the Walk for Life in any way. You are a big part of the PLC Health Clinic's ability to serve this community. Sincere thanks to the many people who worked together to make this Walk happen: Pastor Chris Wannemacher (the CHURCH) for opening prayer, Van Wert Manor for bottled water, First Church of God for the overflow parking, popsicles and cold water, every walker, and each and every church, business and individual who supported the Walk. And thank you to our staff, board of directors, volunteers, church liaisons, and business liaison, Linda Baker. **Jesus is working** in and through your willingness, generosity and prayers, giving **us** the platform to love **"All the Babies, All the Time!"**

A huge THANK YOU to these top walkers and churches who went the extra mile for us! Your commitment and enthusiasm are a tremendous blessing!

Staff, Board & Volunteers

It takes a dedicated group of people to keep the PLC Health Clinic and The Langdyn House operating at full force to serve in the love of Jesus. Although a few faces are missing in this picture, it represents a team willing to be whole-hearted and generous with their time and specific gifts, to serve right where God put them! We are so thankful to be able to work together as staff, board and volunteers to implement life-saving and life-changing service to the Van Wert community and beyond.

BABY BOUTIQUE NEEDS

We have added a few items to our Amazon Wishlist. If you would like to shop our wishlist, visit our Facebook Page and as you scroll down, click on "Amazon Wishlist" under "Featured". Items will be delivered to us directly. You can also shop locally for items! We especially need Size 5 Huggies diapers, Size 6 Pampers or Parent's Choice diapers and unscented baby wipes. Locally purchased items can be dropped off during business hours: Monday - Thursday from 10am - 4pm.

PRAYERS & PRAISES

Every day we encounter a need to pray and a reason to praise! We appreciate you lifting us up in these specific areas:

- Pray for health, energy, and joy as we work together as co-workers in Christ (especially during the cold and flu season)
- Pray for the relationships that are developed through ongoing classes and Baby Boutique visits by patients.
- Pray that we recognize opportunities to pray with our patients and to sow our love and faith in Jesus into the lives around us.
- Praise for meeting and exceeding our Walk goal and for prayerful, generous supporters in our community!
- Praise for our board and volunteers who help in numerous ways to encourage and help.
